U-Base Solution

With U-base instead of long rail, both easy at installation and price. Great compatibility on trapezoidal roof, fix on roof directly.

Advantages

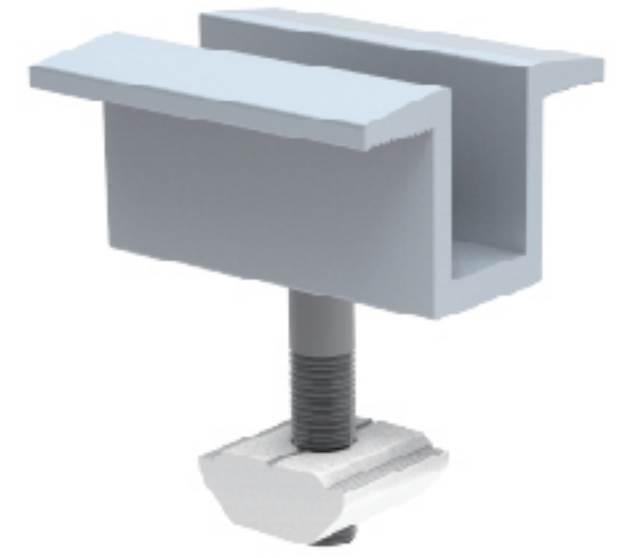

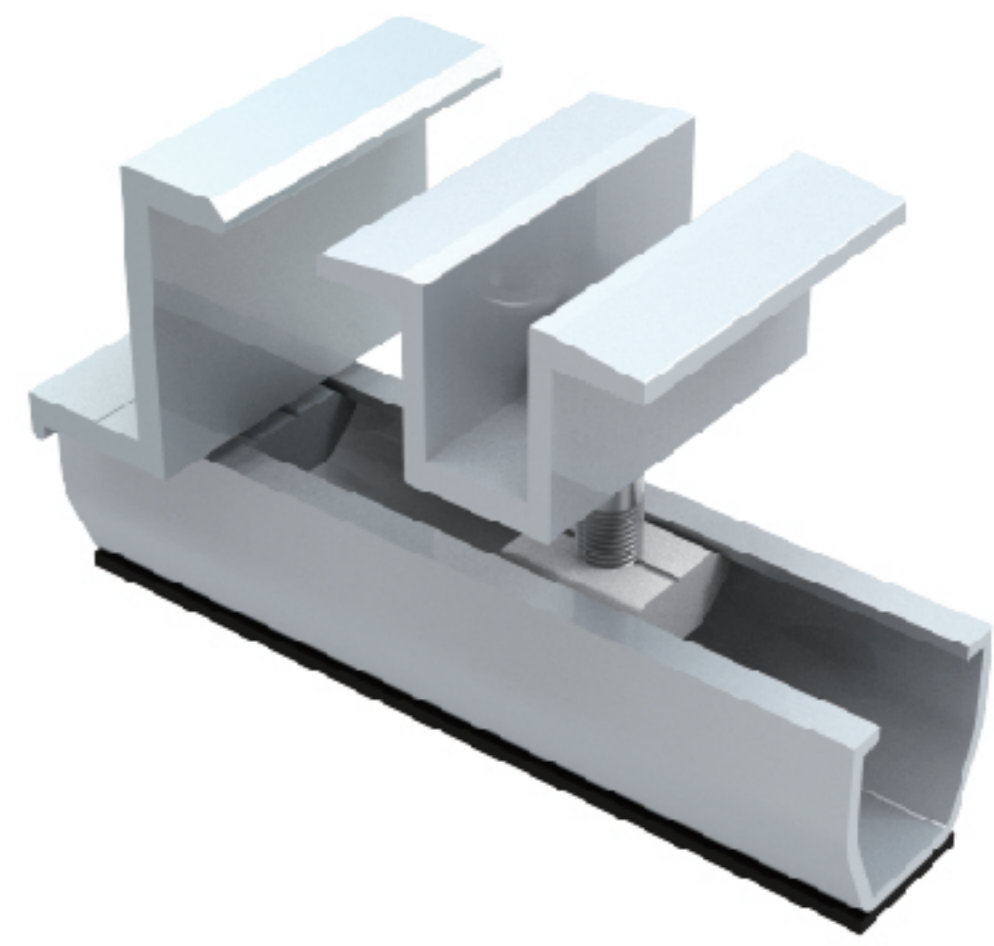

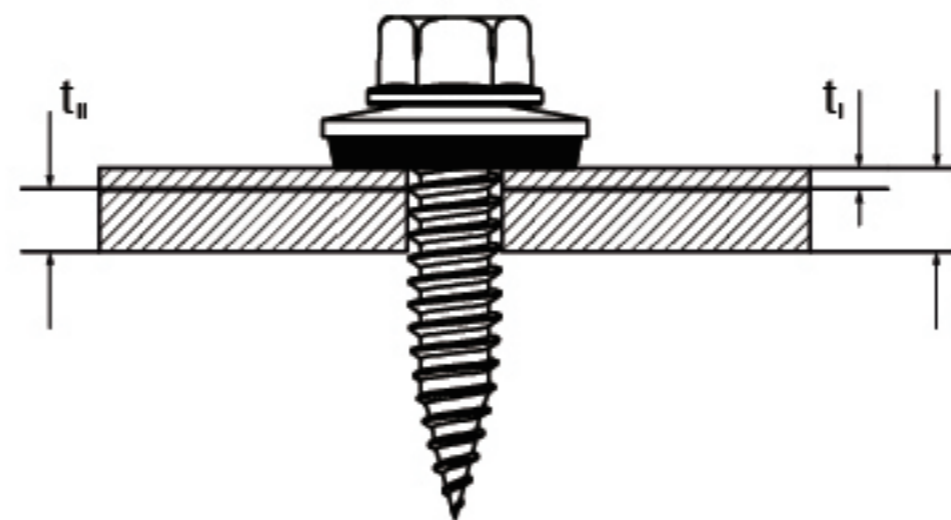

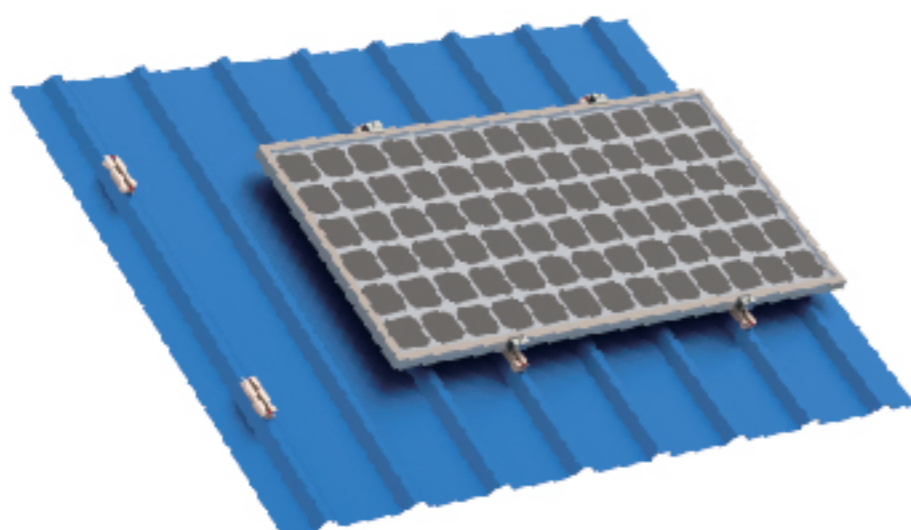

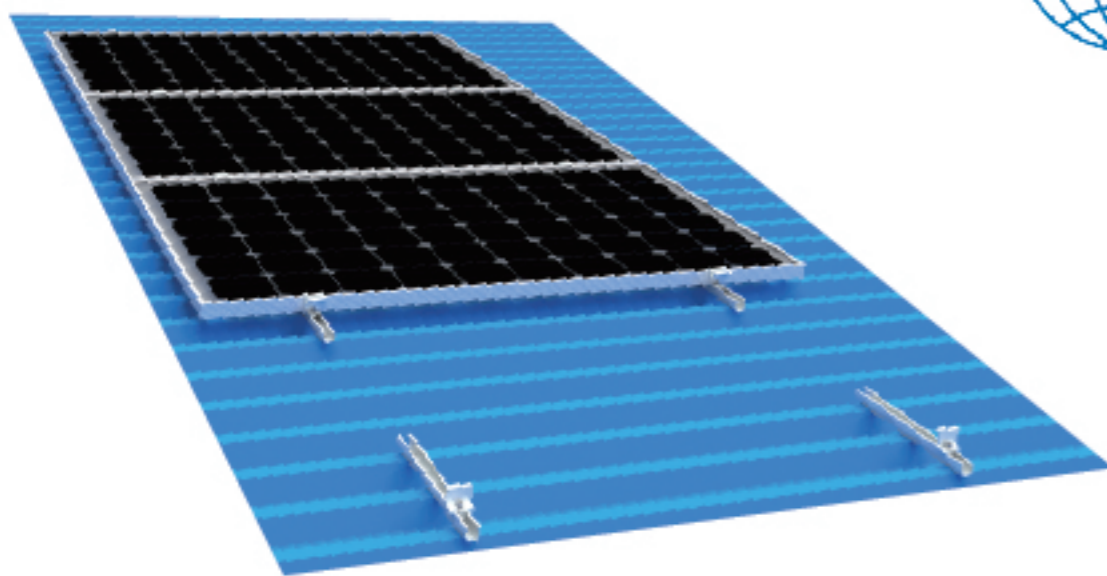

- High durable, and price competitive.
- With EPDM rubber adhesion on bottom, which gurantees great water-proofing.
- Self-tapping screws with EPDM and water-proof head, sharp round heads minimize roof damage.
- Length 120mm, 200mm and 400mm avialable, capable at panel verticle and landscape.

Tech data

Roof pitch: 0°-60°
Wind load: up to 45m/s
Snow load: up to 1.8KN/M²
