

**We Don't Just Claim To Be The Best, We Proved It**

# 40A- 48V MPPT Solar Charge Controller

## Specifications

- **Suitable Solar Panel Upto 48V - 2000W**
- **Maximum Load Current: 40A**
- **Suitable Battery: 48V - Life-Po4, Li-ion & Lead Acid**
- **Display Parameters**
  1. **PV Voltage, PV Current**
  2. **Battery Voltage, Battery Charging Current**
  3. **Lead Voltage, Load Current**
  4. **Solar Wattage & Load Wattage**
- **Battery Low, Battery Full & Fault Indication Is Also Available**
