

# MPPT Solar Charge Controller

**5A MPPT Solar Charge Controller**

Parameter	5A MPPT Solar Charge Controller
Charge Controller Type	MPPT
MPPT Charging Efficiency	Above 90%
Suitable Battery	Lead Acid, Li-ION, Life-po4
Suitable Solar Panel	12V, 100W
Dusk to Down	Optional Available
Size (LXBXH)	80X65X40
Operating Temperature	0 TO 85 C

## Protection

- Battery reverse polarity protection.
- Solar panel Reverse polarity Protection.
- Load short circuit protection.
- Battery Low Load disconnection.
- Battery Full Cut-off.

## LED Indication

- Battery Charging - Blue LED Blink
- Battery Full - Blue LED Constant Glow.
- Battery Low - Red LED Constant Glow.
- Auto/ Manual - Yellow LED Glow.
