

BLOO POWER

1800W-A PORTABLE POWER STATION

- Light weight, Small size, easy to carry
- Multi-interfaces convenient output
- Display power, voltage, charge and discharge power
- Pure sine wave inverter

Model	BP-PE1800-A
Capacity:	1024Wh(25.6V/40Ah) or 1536Wh(25.6V/60Ah)
Battery Type:	LiFePo4
Inverter:	Pure Sine Wave
Rated Power:	1800W
Peak Power:	2100W
Input-1: (By Adapter/Car/Solar panel)	Input Port: DC5521 & XT60 Port Input Voltage range: 12-80V Input Current: Max 7A for DC port, Max 10A for XT60 Port Input Power: Max 420W for DC port, Max 600W for XT60
AC Input-2: (Direct from Wall Power)	110/220V,50/60Hz,Max 1000W
Output:	4*QC3.0 Max 18W per port 2*Type-C Max 100W per port 2*DC 13.6V/8A Max 108.8W 1*Car Socket 13.6V/8A Max 108.8W 4*AC output 1500W/1800W AC output: 110/220V,50/60Hz
Charging time:	2 hours by AC cable
Working Temperature:	0~40°C
Working Humidity:	20%-90%
Storage Temperature:	-20~45°C
Accessories:	1.AC charging cable 2.User manual 3.Cardboard box
Product Size:	350*220*313mm
Product weight:	17.5kg
