

BLOO POWER

5376Wh PORTABLE POWER STATION

- Light weight, Small size, easy to carry
- Multi-interfaces convenient output
- Display power, voltage, charge and discharge power
- Pure sine wave inverter

Model	BP-PE5000
Capacity:	5376Wh(3.2V/1680000mAh)
Battery Type:	LiFePo4
Inverter:	Pure Sine Wave
Rated Power:	3000W
Peak Power:	3000W
Input-1: (By Adapter/Car/Solar panel)	Input Port: DC5521 & XT60 Port Input Voltage range: 12-80V Input Current: Max 8.5A for DC port, Max 10A for XT60 Port Input Power: Max 420W for DC port, Max 650W for XT60 Port
AC Input-2: (Direct from Wall Power)	110/220V,50/60Hz,Max 1600W
Output:	4*USB QC3.0: 5V~9V/2A Max 18W per port 2*Type-C: 5V~15V/3A 20V/5A Max 100W per port 2*5521 DC 13.5V/10A Max 1*Car Socket 13.5V/10A Max 4*AC output 2000W AC output:110/220V,50/60Hz
Charging time:	4 hours by AC cable
Working Temperature:	0~40°C
Working Humidity:	20%-90%
Storage Temperature:	-20~45°C
Accessories:	1.AC charging cable 2.User manual 3.Cardboard box
Product Size:	470*290*445mm
Product weight:	56kg
