Mountingsystem Tiled roof

The EASY product range was developed by our engineers to meet the worldwide requirements of an efficient assembly system.

Besides high quality materials and an ergonomic design, the range of short assembly times has been considered as the main criterion.

Oberhauser Bau-Systeme combines high-quality materials, well thought-out construction and customer-oriented thinking to "**efficiency in detail**".

- ✓ All components available separately
- ✓ High quality materials, very long shelf life cycles
- ✓ Stable construction, designed for high load
- ✓ Short assembly times, thanks to EASY system
- ✓ Universally applicable
