

KREISEL 

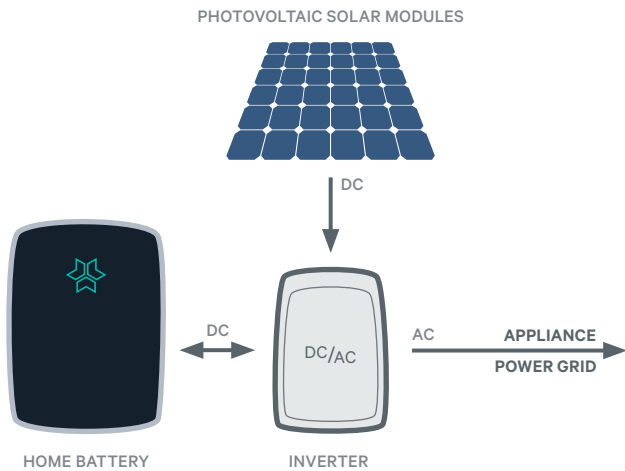

MAVERO ENERGY STORAGE

The revolution for
your sustainable home.

EFFICIENT AND FLEXIBLE

The Kreisel Mavero Energy Storage is a highly efficient and flexible power storage solution for private and commercial applications. Thanks to the flexible construction Mavero can easily be installed by a professional.

SAVE ENERGY AND MONEY

With the Kreisel Mavero renewable energy can be stored easily. This optimizes your own consumption and cost-effectiveness. By using an appropriate inverter, the energy flow can be controlled accurately and safely.

Kreisel sets new standards in energy storage solutions powered by the revolutionary Kreisel battery technology.

	M6	M12
Daily cycle applications	6 kWh	12 kWh
Charge/Discharge power	4 kW	8 kW
Charge/Discharge current	14 A	14 A
Weight	110 kg	190 kg
Dimensions	142 × 105 × 15 cm	142 × 105 × 28 cm
Battery technology	Li-Ion	
Nominal voltage	307 V	614 V
Protection class	IP20	
Environmental temperature	+5°C bis +40°C	
Mounting	Wall, indoor	
Certifications	EN 61010, EN 62619, VDE 2510-50, UN 38.3, EN 61000-6-2, EN 61000-6-3
